

Walz MMF Automatic Envelope Sealer

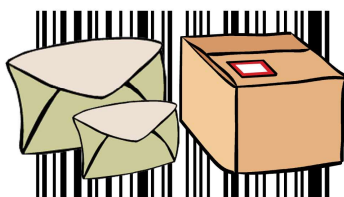

Features:

- The Mixed Mail Feeder (MMF) accepts various-sized pieces of mail in one stack
- Seals stacks of envelopes
- Takes the pain out of sealing one by one
- Catch tray included
- Seals envelopes up to 1/2" thick, 10" tall x 13" long
- Low maintenance, high reliability

For best results and to prevent unit from getting moldy, use Walz Seal Tight sealing solution.
